# Fund Raising - Frequently Asked Questions

Thank you for considering Emma's gourmet popcorn for your fund raiser. We want to help you in your quest to raise money. We are a small home-based business, and enjoy what we do- which is making the yummiest popcorn flavors in Lancaster County!

## Do you offer shipping?

We prefer that you pick up your total order and deliver it to your buyers. If that is not possible, we can ship the lot to you. However, it will incur extra charges. We keep our prices down as low as possible and do not have the margin to allow us to cover the shipping charges.

## How do I know how much to sell the product for?

We want to keep the program open enough to make it work for most people. To do this, we do not list prices on the flyer you will be showing to sell the popcorn. We will give your suggested retail price and also show you your costs, you however have the final say on how much to charge for the popcorn for your fund raiser. You are responsible to pay the full amount at the time of picking up the popcorn from us. When you decide to have your buyers pay, at the time of ordering or at the time of delivery is up to you. Most people prefer to have the buyer pay at the time of ordering so they do not need to foot the bill out of their account.

## How do I place my order?

Email the return form to us with your total product amounts sold. Make sure to fill out the contact information at the top.

## When can I pick up my order?

Allow 10 business days for us to fill your order after placing it. Please confirm the exact pick-up date with us when you email your order. When you have the product in your hands to distribute, please get the product to your buyer as soon as possible. Everyone loves fresh products! We will not be held responsible for products being stale because of late delivery. We will give you fresh product, made after you placed the order.

## Where can I pick up my order?
